ABOUT KARAD, MAHARASHTRA

The idyllic town of Karad is bisected by National Highway 48 and easily accessible by road. It is in Satara District, Maharashtra - 160 km from Pune and 70 km from Kolhapur. The above cities have the nearest airports. Karad Railway station is serviced well by main train routes.

Karad is surrounded by sugarcane fields and is rightly known as the sugar bowl of Maharashtra. In addition, it is an important educational hub for the western part of the state, due to the presence of prestigious educational institutions.
